Guide A. When is a refund available to me?

How do I receive a refund?

If you are no longer eligible or choose not to participate in the Fund for any reason other than retirement or death, you can receive a refund of your contributions by completing this form (Form 5FR).

Do I receive interest on my refund?

No interest will be paid on the amount of the refund. You will receive only the amount of contributions paid by you and paid by others on your behalf into the Fund.

Is my refund taxable?

No. Monthly contributions paid by you and paid by others on your behalf into the Fund have already been taxed, so your refund is not subject to income tax.

Can I roll over my refund to an IRA?

No. These monies have already been taxed; therefore, they cannot be rolled into a tax-deferred retirement plan.

Guide B. What are the consequences of proceeding with a refund?

If I receive a refund, can I later purchase the service and contributions that I have withdrawn?

No. If you receive a refund of your contributions, you will lose your service credit for the period represented by the refunded contributions, and you will not be eligible to later purchase your withdrawn Fund service.

If I stop contributing, will I be forced to withdraw my service/contributions?

No. You may leave your contributions in the Fund, later resume contributing to the Fund when you return to eligible firefighter or rescue squad service, and still apply to receive a monthly benefit at a later date, once you are age 55 provided you have completed and paid contributions for 20 years. If you leave the Fund before you have 20 years of creditable service, the only payment you can receive is a refund of your contributions.

Thank you.
