Guide A. Who is eligible for disability retirement?

The eligibility requirements for disability retirement are different for each System, so it is important to consult your benefits handbook (available at www.myncretirement.com) and your last system employer as you apply for disability retirement benefits. All disability retirements are subject to approval by the Medical Board. You may be eligible for disability retirement if you have at least five years of retirement credit in the following retirement systems, prior to the certified date your disability began:

- The Teachers' and State Employees Retirement System if you have 5 years of membership credit on January 1, 1988. If you do not meet this service requirement, you are not eligible for disability retirement, and you should consider applying for benefits through the Disability Income Plan of

North Carolina. For more, see your last System employer.

- The Local Governmental Employees' Retirement System. You must have five years of credit unless you are a law enforcement officer injured in the line of duty.
- The Consolidated Judicial Retirement System. You must have five years of credit .
- The Legislative Retirement System. You must have five years of credit

Disability retirees are subject to earnings restrictions. Before returning to work, be sure that you understand the return-to-work laws that apply specifically to disability retirement benefits in the System from which you retired. Please contact the Retirement Systems Division for information regarding the disability retirement earnings restrictions that will apply to you.

Guide B. What are my retirement payment options?

When you apply to receive disability retirement benefits, you will have a choice of retirement payment options. All of these options include the Guaranteed Refund. See Guide C. (Under the Legislative Retirement System, only the Maximum Allowance and Options 2 and 3 are available).

OPTIONS WITHOUT A MONTHLY BENEFIT FOR A SURVIVOR AFTER YOUR DEATH

Maximum Allowance: Basic, Straight Life Benefit

You will receive a monthly retirement allowance that is paid throughout your lifetime with all monthly benefit payments ceasing at your death.

OPTIONS WITH A MONTHLY BENEFIT FOR A SURVIVOR AFTER YOUR DEATH. For all of the following, your benefit amount is affected by both your age and the age of the beneficiary you choose, and is based on disability reduction factor tables.

Option Two: 100% Joint and Survivorship

You will receive a reduced monthly retirement benefit that provides that upon your death, the same reduced retirement allowance will continue monthly to the beneficiary you designate, for the remainder of his/her life.

Option Three: 50% Joint and Survivorship

You will receive a reduced monthly retirement benefit that provides that upon your death, one-half of the reduced retirement allowance will continue monthly to the survivorship beneficiary you designate, for the remainder of his/her life.

Option Six-Two: Modified 100% Joint and Survivorship

You will receive a reduced monthly retirement benefit that provides that upon your death, the same reduced retirement allowance will continue monthly to the survivorship beneficiary you designate, for the remainder of his/her life. Should this beneficiary pre-decease you, your monthly benefit will increase to the maximum allowance.

Option Six-Three: Modified 50% Joint and Survivorship

You will receive a reduced monthly retirement benefit that provides that upon your death, one-half of the reduced retirement allowance will continue monthly to the survivorship beneficiary you designate, for the remainder of his/her life. Should this beneficiary pre-decease you, your monthly benefit will increase to the maximum allowance.

Guide C. What is the Guaranteed Refund?

The Guaranteed Refund feature provides that under all retirement options, if you, and your monthly survivorship beneficiary, if applicable (and your spouse if you are a member of the Consolidated Judicial Retirement System) die before exhausting the total of your remaining accumulated contributions, any remaining portion will be paid in a lump sum payment to the beneficiary(ies) you designate. The purchase of additional creditable service after retirement (less the administrative fee) is also covered by the Guaranteed Refund

feature, as well as NC 401(k) Plan employee contributions that you transferred to the Retirement System if you are a law enforcement officer. You will be asked to designate a beneficiary(ies) for the Guaranteed Refund feature as one of the steps in the retirement process. Please note that you cannot name the same beneficiary for your Guaranteed Refund and a monthly survivorship beneficiary. If all of your accumulated contributions have been exhausted, your monthly retirement benefit will continue, but the Guaranteed Refund will not be payable.
