# Form 333BEN Guides Designating Beneficiary(ies) for the Contributory Death Benefit for Retired Members

## Guide A. How do I choose my Contributory Death Benefit beneficiary(ies)?

You must provide the Name, Social Security Number and Date of Birth of each beneficiary.

- You may designate any living person(s), your estate, or a trustee for a living person, as your beneficiary(ies).
- If you do not designate a beneficiary, or if your designated beneficiary(ies) is not living at your death, the benefit will be paid to your legal representative (usually the administrator or the executor of your estate, or collector of funds for your estate).
- You may change your beneficiary(ies) for the Contributory Death Benefit at any time prior to your death.
- You do not need permission from the beneficiary(ies) to make or change the designation.
- You do not have to make your beneficiary(ies) aware of this designation.

You have the option to designate:

**A living person** who does not have to be a relative. If you choose one person as your principal beneficiary, you may name contingent beneficiary(ies) in the event the principal beneficiary predeceases you.

**More than one living person** to share in the benefit equally and who do not have to be related to you. Copy and attach additional Continuation Pages if you need additional space to list all beneficiaries.

**Your estate** by writing ESTATE in the box asking for a beneficiary's LAST name.

**A trustee for a living person** by submitting a copy of the trust agreement with this form.

Your beneficiary(ies) cannot be an unborn child, a pet, a church, or any other institution.

### Guide B. What amount will be payable at my death?

The amount payable at your death is dependent on when your death occurs following your effective date of coverage. If your death occurs on the first day of the month following the 24th month of coverage for which the required contributions have been made, the full \$10,000 will be paid. If your death occurs before the first day of the month following the 24th month of coverage, your beneficiary will receive the total of the contributions you have made plus interest at a rate determined by the Board of Trustees.

### Guide C. How will my beneficiary claim the benefit at my death?

Your beneficiary or executor of your estate should report your death to the NC Retirement Systems and provide us with your death certificate and current contact information for the beneficiary(ies). The Certificate of Coverage that was sent to you after receipt of your first contribution does not need to be presented at your death to claim the benefit.
